• **BEFORE YOU PURCHASE:** If you are currently enrolled in a health maintenance organization (HMO) or other health insurance program, the benefits provided by REACH for Life may duplicate the benefits provided by your current plan. Before purchasing REACH for Life coverage, it is recommended you call your health plan provider to determine if you are covered for this service. • **WARNING:** REACH for Life is not an insurance program. It will not compensate or reimburse another ambulance company that provides emergency transportation to you or your family. This may occur when the 911 Emergency System has independently determined that another company could provide more expeditious service or is next in the rotation to receive a call. This might also occur if REACH is unable to perform within a medically appropriate timeframe due to certain weather conditions, or mechanical/out-of-service issues, or when committed to another call. REACH for Life membership only applies to emergency air medical transports by REACH or a REACH service partner. REACH reserves the right to cancel an individual membership or REACH for Life membership program at any time.
